Emily,

Please see the attached letter. I hope this will help with the confidential business information in this request. If I need to provide this letter to someone else, or in some other way please let me know.

Thank you,

Melissa Graham

Hi Melissa – our program folks have run into some confidential business information issues in fulfilling your FOIA request. They've asked for an extension to figure those issues out. They're asking for a new due date of 12/7/15. Please let me know if that works for you!

Thanks,

Emily Albano
